January to December 2017:

Our amazing HOSTS worked **2,018** hours to assure the PCAC was open for public viewing, classes, and workshops. There were an additional **6,269** VOLUNTEER hours logged in for work by members on various PCAC projects. These hours do include the many hours spent by officers, board members and coordinators.

As we all know, PCAC is a hard working volunteer driven organization.

Please be sure to log in all of your volunteer time each and every time that you work. The record of these hours is very important in securing funds/grants for are many programs. For your convenience, a log-in sheet is posted in the studio and updated at the beginning of each month. Or you may choose to use the new individual monthly volunteer sheet (found on our website.) After monthly completion, please send them to me at fgagmanager@gmail.com

Thank you for all of your time, energy, and support in 2017. We are truly blessed to have each and every member.
